

# Secure your next adventure.<sup>TM</sup>

## Cable locks for your kayak

**Across town or around the globe – your boat is safe with Lasso Security Cables.<sup>TM</sup>**

**Lasso Security Cables are simply the strongest and easiest anti-theft device available for your kayak.** Made from vinyl-coated galvanized steel aircraft cable with an integrated tamper-proof lock, no other security system provides greater protection – in the driveway or in the back country. And now with our new customizable combination lock, there are no keys to lose and it is easier to use than ever!

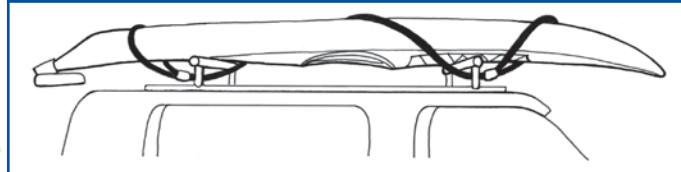

- ◆ Vinyl-coated steel aircraft cable
- ◆ Tamper-proof customizable combination lock
- ◆ Attaches easily to any standard rooftop rack

**Customizable  
Combination  
Lock!**

- ◆ Rugged combination lock can be easily reset to any 4 numbers. No more keys to lose!
- ◆ Visible anti-theft tool provides peace of mind when leaving your boat unattended.
- ◆ Simple, Quick, and Secure!
- ◆ Just \$48.95 MSRP – maximum protection at a small price.
- ◆ Stores easily in rugged Cordura<sup>TM</sup> stuff sack – FREE with every purchase!

**Don't let your boat get away – Lasso it today!**
